(a) whether it is a fact that the University Grants Commission has stopped setting up regional/zonal offices in the different parts of the country due to the present constraints of financial resources;

(b) what is the total budgetary fund allocated during the 7th Five Year Plan for this purpose; and

(c) what are the details of the financial budgetary fund allocated during the 8th Five Year Plan for different States for opening new zonal regional offices of U.G.C. ?

THE DEPUTY MINISTER IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (DEPARTMENT OF EDUCATION AND DEPARTMENT OF CULTURE) (KUMARI SELJA) : (a) to (c) According to the information furnished by the University Grants Commission, the Commission has accepted the proposal, in principle, to set up its regional offices. However, no decision in regard to the location of these offices has been taken due to the present constraint of financial resources. As the decision to set up its regional offices was taken by the UGC in 1989-90, no financial provision was made for the purpose during the 7th Plan (1985-90). The regional offices would be set up when necessary funds for the purpose are available with the Commission.
